MIDNIGHT MONSTER MADNESS TOUR - 2027

THE ROSTER

Mr. CreepyPasta, a horror storytelling podcaster and YouTuber, is a well known voice for famous horror stories such as Jeff the Killer, Tales from the Gas Station and Borrasca. He started 16 years ago and has become a staple in the YouTube community and the horror genre, with over 2 Million Subscribers.

Mr. CreepyPasta has produced two Creepy Pasta Collection Anthologies that have broken the top 25 Horror Anthologies on Amazon, The CreepyPasta Comic Book, and a new CreepyPasta Anthology (Simon & Schuster, coming soon). He's the voice of the Midnight Monster Madness audiobooks.

Vincent V. Cava is a comedy-horror author whose stories have accumulated millions of views on YouTube. His work has been published by Simon & Schuster, PS Publishing, Shortwave Publishing, and more. He is the co-writer, co-producer of Creepypasta: The Motion Picture. He's published two graphic novels, and his stories have been used to promote film and television for Fox, Starz, and Crypt TV.

James Sabata is a horror author, produced screenwriter, and editor whose stories have found their way to the page, the screen, and the stage. His debut feature film, FAT CAMP, is currently in development with a targeted 2028 release. He's also the former host of TheNecronomi.com, a weekly podcast exploring horror films as social commentary (with over a million downloads) and the Founder/Director of the horror-themed pop-up charity event Spirited Giving.

Following each Storytime performance, all three creators will be on hand together for signings, photo ops, and meet and greets.

MIDNIGHT MONSTER MADNESS TOUR - 2027

PROS AT CONS

WE'RE THE PROS WHO MAKE CONS EASY.

We know how hard programming can be, and how unpredictable a convention weekend gets. Pros At Cons takes that weight off your shoulders. Our guests and panels are professional, curated, and built to draw a crowd, so you can put them on your schedule with the confidence they'll create something memorable.

EXPERIENCE

- 15+ years of commanding crowds and entertaining audiences
- We've run panels at events of every size and know how to tailor our programming to your specific convention, whether you have 200 attendees or 200,000.
  - Sold out The Stanley Hotel's Concert Hall.
  - Standing-room-only ballrooms at Phoenix Fan Fusion, FanX Salt Lake, WonderCon, MomoCon, and many more.

CONNECTIONS

- We can suggest additional horror guests, build your horror programming, and handle whatever your schedule needs.

ONGOING PROMOTION

- You can't fill a room without advertising it, and that shouldn't fall solely on you. We promote the conventions we're guests at throughout the year, not just the weekend beforehand.

MIDNIGHT MONSTER MADNESS TOUR - 2027

THE PANELS

Every tour booking includes Storytime plus an average of two hours a day of additional programming. Here's a sample of what that can look like.

LIVE PERFORMANCE - STORYTIME

STORYTIME WITH MR. CREEPYPASTA

A live, atmospheric hour of spine-tingling tales, including readings from Midnight Monster Madness, followed by a signing and meet and greet with the whole crew.

AUDIENCE PARTICIPATION GAMES

HORRORS AGAINST HUMANITY

A horror-themed Cards Against Humanity. Panelists play their funniest white cards and the audience picks the winners.

CURSED CONNECTIONS

Panelists pitch a cursed love interest for a volunteer from the audience, then talk their way out of the red flags.

DISCUSSION PANELS

MAKING LIGHT OF THE DARK

We examine how comedy and horror are two sides of the same coin, and why they can work really well together, or not at all.

SIZE MATTERS: SOME MOVIES AREN'T MEANT FOR THE BIG SCREEN

How we watch movies is changing. Find out why some movies are more terrifying on a laptop or a phone than they are in a theater and how filmmakers are using that reality today.
